

Consent for Implant Surgery

1. I have been informed and afforded the time to fully understand the purpose and the nature of the implant surgery procedure. I understand what is necessary to accomplish the placement of the implant under the gum or in the bone.
2. My doctor has carefully examined my mouth. Alternatives to this treatment have been explained. I have tried or considered these methods, but I desire an implant to help secure the replaced missing teeth.
3. I have further been informed of the possible risks and complications involved with surgery, drugs, and anesthesia. Such complications include pain, swelling, infection and bruising. Numbness of the lip, tongue, cheek, or teeth may occur. The exact duration may not be determinable and may be irreversible. Also possible are thrombophlebitis (inflammation of the vein), injury to teeth present, bone fractures, sinus penetration, delayed healing, allergic reactions to drugs or medications used, etc.
4. I understand that if nothing is done any of the following could occur: bone disease, loss of bone, gum tissue inflammation, infection, sensitivity, looseness of teeth followed by necessity of extraction. Also possible are temporomandibular joint (jaw) problems, headaches, referred pains to back of the neck and facial muscles, and tired muscles when chewing. In addition, I am aware that if nothing is done an inability to place an implant at a later date due to changes in oral or medical conditions could exist.
5. My doctor has explained that there is no method to predict accurately the gum and bone healing capabilities in each patient following the placement of an implant.
6. It has been explained that in some instances implants fail and must be removed. I have been informed and understand that the practice of dentistry is not an exact science; no guarantees or assurances as to the outcome of the results of treatment or surgery can be made. I am aware that there is a risk that the implant surgery may fail, which might result in further corrective surgery or the removal of the implant with possible corrective surgery associated with he removal.
7. I understand that any amount of smoking, alcohol, or elevated blood sugar may affect gum and bone healing and may limit the success of the implant. I agree to follow my doctor's home care instructions. I agree to report to my doctor any complications maintain regular examinations as instructed.
8. I agree to the type of anesthesia, depending on the choice of the doctor. I agree not to operate a motor vehicle or hazardous device for at least 24 hours or more until fully recovered from the effects of the anesthesia or drugs given to me for my care.
9. To my knowledge, I have given an accurate report of my physical and mental health history. I have also reported any prior allergic or unusual reactions to drugs, food, insect bites, anesthetics, pollens, dust, blood or body diseases, gum or skin reactions, abnormal bleeding or any other conditions related to my health.
10. I Have Been Informed And Understand The Existing Anatomy (Bone And Tissue) Which May Place Limitations On The Final Implant Crown Height And Position. The Final Implant Crown May Be Higher (Longer) Than The Adjacent Teeth (FP-2/3), With Lack Of Gum Tissue On Each Side. Pink Porcelain May Also Need To Be Used In Conjunction With The Final Crown To Close The Spaces.
11. I agree to immediately notify the doctor's office of any and all complications that may arise from any treatment and will abide by the post-operative instructions that I have been furnished.
12. I request and authorize medical/dental services for myself, including bone grafts and other surgery. I fully understand the contemplated procedure, surgery, or treatment conditions that may become apparent, which warrant, in the judgment of the doctor, additional or alternative treatment pertinent to the success of comprehensive treatment. I also approve any modifications in design, materials, or care, if it is felt this is for my best interest. If an unforeseen condition arises in the course of treatment which calls for performance of procedures in addition to or different from that now contemplated I further authorize and direct my doctor, associate, or assistant, to do whatever they deem necessary and advisable under the circumstances, including the decision not to proceed with the bone graft procedure.
